

“A family is one of nature’s masterpiece.”

Dear students

World Family Day is observed worldwide on 15th May every year. We instantly think of unconditional love which we carry on forever in our heart when we think of family. A family is our source of strength. It teaches us the value of relationships. We are devoted to our family. Family gives us reasons to stand by each other as we share the same values.

Although the current situation of covid-19 has forced us to stay indoors but on the other side it has brought us a great family time.

It would be really great to see you spending quality time with your family. So children, you can share your thoughts through whatsapp on phone no. 9306950823 about how you are spending quality time with your family. Some activities are listed below for your help.

1. Writing poems or slogans
2. Writing your feelings about staying together
3. Capturing videos while helping family members in daily chores, enacting showcasing the importance of family, or in any other way

4. Taking selfie and write any one quality of each family member you like the most
5. Organizing talent hunt show for all family members
6. Capturing videos while doing yoga/exercise/watching T.V together.

Wish you all the best!

Regards

Principal
