

GDGPSB/20-21/12

Dear Parent,

The academic session 2020-21 has begun in full swing and students are connected well with the teachers virtually. Now with the summer temperature soaring high, children look forward to vacation time when they can relax and basically chill out enjoying those little pleasures of life which get left behind during the busy school routine. The summer vacation begins from 1<sup>st</sup> June 2020 and school will re-open on 1<sup>st</sup> July 2020.

To ensure that the children have a constructive holiday, some Holiday Homework & Projects are given which will keep the child active and observant. These projects can easily be done by the children and you could assist only where required. You can download the Holidays Homework from Edlantic from 1<sup>st</sup> June 2020 onwards.

It is the time of the year again when we can do things which we are unable to do during the regular routine days.

- Read books! May it be fables, fairy tales, encyclopedia or comic books. Explore the imaginative world and go on a fantasy tour.
- Run, exercise, sweat! Channelize your energy and enjoy playing indoor games.
- Enhance your communication skills by conversing with your friends and family in English.
- Explore the culture and heritage of the world by visiting heritage sites virtually. Download the app 'Google Earth' and enjoy virtual tours around the world.

The school has organized Virtual Summer Camp for Classes V to IX from 1<sup>st</sup> June 2020 to 12<sup>th</sup> June 2020. Three activities – Guided Meditation, Communication Skills/Personality Development Programme and Dramatics are being offered. The details, schedule and Meeting ID will be shared through Whatsapp. Interested candidates can join the session as per their convenience.

Have fun!

Regards

Principal
