Art washes from the soul the dust of everyday life.....

He who works with his hands and head is a craftsman.....

Dear Parents

Every student can learn, just not on the same day, or the same way. Keeping this in mind, we have included Art and Craft activities in students' Time Table for the session 2021-22 on choice basis.

Kindly submit the consent form given below to the class teacher by Monday , April 12, 2021.

Please note that any one activity will be allotted from the two options given below:

Art

Craft

Please Note: The chosen activity will be enjoyed in the regular Art and Craft period as written in the time table.

Look forward to a great session ahead.

Regards

Principal
