Subject: Third Language Selection – GradeV (session 2021-22)

"Learning another language is not only learning different words for the same things, but learning another way to think about things." -Flora Lewis

Dear Parents

People who speak more than one language have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask and better listening skills. Keeping this in mind and as per the **guidelines of CBSE**, a **third language is introduced in Grade V** besides English and Hindi. The students can choose any one of **French or Sanskrit** as **third language**. The language selected as third language at Class V will continue as third language **till Class VIII**. Students can opt for Sanskrit or French in classes IX – X, only when they have studied the languages in classes V – VIII. You are requested to **fill the consent form** given below and share it with the **class teacher through Edlanticby Monday, February 15, 2021**.

Note: In case, less than ten students opt for a particular language then the school will not be able to offer that language as the third language. Then students will be asked to choose the other language as the third language.

Kindly discuss the option with your child keeping in mind her/his interest and skills.

Regards

Principal
