

G D GOENKA PUBLIC SCHOOL, BAHADURGARHClasses VI-VIIISaturday Activity Clubs

Let's make friends by joining clubs and activities which are designed to extend learning!

Dear Parents,

Participation in co-curricular activities plays a vital role in ensuring all round development of a student. Co-curricular activities are designed to meet the needs of the students while covering a wide range of their abilities and talents. Clubs can offer important life skills that a learner can use for the rest of his or her life. It is our endeavour to enhance the learning experience of the students and help in recognizing and developing their inner skills through their co-curricular pursuits. Therefore, the curriculum is so designed that every student gets an opportunity to take part in at least one choice from each group of **Club Activities** of their choice which they can pursue on every **Saturday except Second Saturday**.

The list of the clubs for classes VI to VIII is given below. Kindly go through the options given and give two choices as per your child's interest. Every effort will be made to accommodate your ward's first choice. However, the school may choose either of the preferences based on the group size. Students who are offline can submit the consent form given below with the class teacher and the online students can submit on Entab by Friday, August 13, 2021.
