Date: February 11, 2021

**G D Goenka Public School**  
**H L City, Sector 37, Bahadurgarh**  
**Grades III to V**

*"You will never reach higher ground if you are always pushing others down."*

**Is your child  
being bullied?**

"Don't make the assumption  
that s/he's done something to  
bring on the teasing. Teasing isn't  
always logical, and for your kid  
it doesn't matter why—it just  
matters that it's happening."

—Peggy Moss

Dear Parents

Bullying is aggressive behaviour that is intentional and involves an imbalance of power or strength. It is a repeated behaviour and can be physical, verbal, or relational. More recently, though, technology and social media have created a new venue for bullying that has expanded its reach. Keeping this in mind, school is organising a virtual interactive session on "**Bullying**" for the students of **Grades III to V** on **Friday, February 12, 2021** in **English** Period. Kindly ensure that your ward should join English Session. Please note you may also join the session along with your ward.
