

G D GOENKA PUBLIC SCHOOL, BAHADURGARH
Choice for opting Standard /Basic Mathematics

Class X

Dear Parents,
Greetings!

As you are aware, CBSE gives a choice to students to opt for Mathematics at two defined levels: "Basic" or "Standard", depending on the aptitude and interest in class X.

We hereby request that you enable your ward to make an enlightened choice. Accordingly, please intimate the preferred choice to the Class Teacher in a Consent Slip duly signed by you to facilitate the registration process by Monday, September 21.2021

We would appreciate an early response.

Warm regards
Principal
