

Circular No. GDGB/2026-27/04

Date: March 25, 2026

Dear Parent,

“As the new academic session unfolds, let curiosity be our compass and learning be our destination...”

On behalf of the Management and team GDGPSB, we would like to welcome you and your child into the GD Goenka Family! We appreciate and thank you for entrusting us with the responsibility of nurturing and grooming the personality of your precious one.

Families often experience an adjustment period when a child begins a new journey. As a parent, you will also embark on a new phase in life as you take a supportive role in your child's newest endeavour.

We want to assure you that you will not be alone in experiencing this transition. We are dedicated to support and assure the well-being of our child as well as address any concerns of yours.

Primary aim of GD Goenka Public School, Bahadurgarh, is to help a child to grow harmoniously and holistically by emphasizing on his physical, cognitive, emotional, aesthetic, social and spiritual needs and development.

We value our partnership with parents and family members as we strive to develop our students into a wise, honourable, and cultivated student.

Wishing you all the best.

Kindly note the following:
