Circular regarding Plantation Drive

Grade: III-V

**Dear Parent,
Greetings of the day!**

“Plant a tree today and help create a greener tomorrow”

In the effort to nurture environmental awareness and instill the love for nature among our students, we are delighted to celebrate **Van Mahotsav – the Festival of Trees** through a **Plantation Drive** for the students of **Grades III–V on Thursday, 2 July 2026.**

Trees are an essential part of our ecosystem. They provide us with clean air, shade, food, and a healthier environment. Through this initiative, we aim to encourage students to understand the importance of conserving nature and taking responsibility for a greener future.

Students are requested to bring any one of the following:

- A sapling
- A flowering plant
- A vegetable seedling
- A medicinal plant

Objectives of the Activity:

- 🌱 To promote environmental consciousness among students.
- 🌱 To encourage active participation in caring for nature.
- 🌱 To develop a sense of responsibility towards the environment.
- 🌱 To inspire students to contribute to a greener and healthier planet.

Every plant nurtured today is a step towards a sustainable tomorrow. Let us join hands to make a positive impact on our environment and celebrate Van Mahotsav with enthusiasm and purpose.

We look forward to your support and participation in making this initiative a success.

**Warm Regards,
Team GDGB**
