Donation Drive - Visit to Saraswati Blind School.

CLASS-X

Dear Parents,

Greetings of the Day!

This is to inform you that the students of Class X will be visiting Saraswati Blind School on 26th August 2026 as a part of our School Outreach Initiative.

To spread joy and care, students are encouraged to bring donations of fruits for the children at the Blind School.

Each student may bring 1 or more apples to share with them.

This initiative aims to instill values of empathy, compassion, and social responsibility in our students.

Your support and cooperation in this noble cause is highly appreciated.

Regards,

Team GDGB
