

Circular regarding French Language Club**Grade: V and VI**

Dear Parents,
Greetings of the day!

In view of the revised **CBSE Three-Language Policy** under the **National Education Policy (NEP) 2020**, the school has aligned its language programme accordingly. As a result, **French will no longer be offered as a regular language period** for the students of **Grades V and VI**.

To continue nurturing students' interest in foreign languages, the school will offer **French as a Language Club**. The club will provide an engaging and interactive platform for the students to develop basic communication skills, explore French culture, and enjoy learning the language through fun, activity-based sessions.

Parents who wish to enroll their ward in the French Language Club are requested to complete the consent form below and submit it to the respective Class Teacher on or before **Monday, 6 July 2026**. Kindly note that the students opting for the French Language Club will no longer continue in their previously allotted club, as enrollment in the French Language Club will replace the existing club allocation.
