Parent – Teacher Meeting (Nursery – Grade V)

Dear Parent,
Greetings of the day!

"Excellence in education is achieved through engagement, positive influence, and the collective guidance of parents and teachers."

Dear Parent,

Greetings of the Day!

"Excellence in education is achieved through engagement, positive influence, and the collective guidance of parents and teachers."

In our continued pursuit of fostering the holistic growth and all-round development of our students, a Parent–Teacher Meeting (PTM) for Classes Nursery to Grade V has been scheduled on Saturday, May 23, 2026.

This meeting will provide an invaluable opportunity for constructive interaction and thoughtful deliberation regarding the academic performance, behavioural development, and overall progress of your ward.

We earnestly request you to kindly adhere to the allotted time slot to ensure smooth coordination and meaningful engagement. Students accompanying their parents are required to attend the meeting in proper school uniform.

“Knowledge is power, and reading is the gateway to wisdom.”

Reading enriches the mind, broadens perspectives, and nurtures creativity and imagination. To cultivate a love for books and encourage lifelong reading habits among students, the school is organizing a **Book Fair** within the school premises.

The fair aims to engage children in the fascinating world of books and inspire a lasting passion for learning.

Please find the schedule details below:

- **Day:** Saturday, May 23, 2026
- **Classes:** Nursery to Grade V
- **Timings:** 8:00 a.m. – 12:30 p.m.

Your gracious presence and continued support in strengthening the home–school partnership will be highly appreciated.

Warm regards,
Team GDGB
