Van Mahotsav Celebration – Rally Activity

Grade: VI-VIII

Dear Parent,
Greetings of the day!

“Plant a tree today and help create a greener tomorrow”

Dear Parents,

In the effort to nurture environmental awareness and instill the love for nature among our students, the school is delighted to celebrate **Van Mahotsav – the Festival of Trees** through a special **Rally Activity**.

Trees play a vital role in maintaining ecological balance. They provide us with clean air, shade, food, and a healthier environment. Through this initiative, we aim to help the students understand the importance of conserving nature and inspire them to become responsible citizens for a greener future.

Students will prepare a **placard with a slogan on Forest Conservation / Save Trees** for the rally on **7th July’26**.

Placard Specifications:

- **Sheet Size:** Half Chart Paper
- **Stick Length:** 40 cm
- Placard should be neat, creative, and easy to read.
- Students are required to bring all the necessary materials as per their requirement for preparing the placard.

Objectives of the Activity:

-  To promote environmental awareness among students.
-  To encourage students to protect and conserve nature.
-  To develop a sense of responsibility towards the environment.
-  To inspire students to contribute towards a greener and healthier planet.

We look forward to your support and enthusiastic participation in making this initiative a meaningful success.

Regards,
Team GDGB
