

EARTH DAY ACTIVITY

Grades III-VIII

Dear Parents

To promote environmental awareness and encourage responsible habits towards nature, the school will be celebrating **Earth Day** with special activities for students. This initiative aims to help students understand the importance of conserving natural resources, reducing pollution, and protecting our planet for future generations.

Students will participate in creative and expressive competitions designed to spread the message of sustainability and care for the environment.

Classes III – V:

Poster Making Competition

- Theme: ***Save Earth, Save Life***
- Students will create posters reflecting environmental issues and solutions using colors and drawings.
- Sheet Size: **A3 size**

Classes VI – VIII:

Slogan Writing Competition

- Theme: ***Protect Our Planet***
- Students will compose short, impactful slogans to inspire others to take care of the Earth.
- Sheet Size: **A3 size**

Date: 21st April'26

Venue: Respective classrooms

Duration: 30 minutes

Students are encouraged to participate enthusiastically and bring their own materials required for the activity. Creativity, originality, and clarity of message will be appreciated.

Let us work together to build a cleaner, greener, and healthier environment.

Regards

Team GDGB
