MESSAGE FROM CHAIRPERSON

The world is changing at an accelerated rate and we educators need to pause and reflect on the entire system of education. A mission that aims to Educate, Enlighten and Empower has proved to be successful time and again. At G D Goenka, Bahadurgarh, our aim is to provide an outstanding education and inspire our students to engage in both academic and enriching extra-curricular programmes. We aim at sharpening skills and enhancing the knowledge base in our students through various extracurricular, co-curricular and curricular activities.

This is enabled through our faculty who not only keep themselves at par with the developments but also contribute to the expansion of the body of knowledge in their field of expertise. Our students set high expectations for themselves, enjoy the school and the community is constantly rewarded by their achievements.

We take our children through ethos of moral values and principles leading to a culture of thinking, reflection, resilience and independence, always being focused upon developing each individual child into a true citizen with a commitment to become “Moral and Intellectual Leaders, People of Dignity, Integrity and Compassion”.

So always remember -

Accept, Adopt and Adapt to achieve

Fear not, take big steps and cross the chasm.

MESSAGE FROM PRINCIPAL

Dear Readers

“Purpose of education is to turn mirrors into windows”.

One of the greatest Indian teachers, Swami Vivekananda believed in the infinite potential of mankind. He said, “Education is the manifestation of perfection already in men.”

It is also true that no education can have its desired effect without the ability of the person disposed to employ it, that is, the teacher.

Here, at GDGB, we strive to create a stimulating, inclusive environment for every student by promoting curiosity over compliance and encourage questioning. Our aim is to empower our students to become global citizens by providing them a roadmap to opportunity for a better life by bringing out their potential. The newsletter in hand would be a nice tool which will surely help you to get the glimpses of the yearlong activities and achievements of the students of the school. I am sure the quality and variety of contents would not only be informative but also impressive and enjoyable. In this pursuit of excellence, I appreciate our parent fraternity for supporting the school in every aspect. I also laud the relentless efforts of our teachers for giving their best in bringing out the best in each child. Infused with a will to succeed, the passion to excel and the perseverance to accomplish. My sincere prayers for all students to reach great heights and keep the Goenkan flag flying high wherever they tread.

MESSAGE FROM VICE PRINCIPAL

“With the paradigms of education ever-changing, let’s take the arc of history in our hands and build a better and safer tomorrow in imaginative and innovative ways”.

We at GD Goenka Public School, Bahadurgarh believe that the role of the school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. We view education as an effective medium of social transformation.

Our mission is to continue to do what we have always done: evolve our school and the students with integrity, social empathy and values; also, to give our students the best opportunities for growth. Our vision is to produce conscientious, awakened and confident citizens of India who will make everyone proud!

MESSAGE FROM SCHOOL COORDINATOR

As we journey through another enriching academic session, I am filled with pride and gratitude for the collective efforts that shape our vibrant school community. Each classroom echoes with curiosity, creativity, and commitment - hallmarks of a thriving learning environment.

At the heart of our academic vision lies a belief in nurturing not only scholarly excellence but also character, resilience, and a lifelong love for learning. Our students continue to demonstrate remarkable growth, guided by the dedication of our teachers and the unwavering support of parents.

Let us continue working together to foster a culture of excellence, empathy, and innovation. May this academic year be filled with meaningful achievements and transformative experiences for every learner.

MESSAGE FROM PRE-PRIMARY COORDINATOR

When we think of school, learning is one of the most important considerations. We shall get the knowledge, competencies, and methods essential for decoding information about the world around us through learning. Learning strengthens our capacities to think clearly and the thoughts. With the knowledge you have acquired through the process of learning, you overcome preconceived obstacles. The foundation of learning is a formal education. Learning is a continuous process that advances exponentially, enabling a person to achieve their goals. In light of this, always keep in mind that "Education is the passport to the future, for tomorrow belongs to those who embrace it today."

SINGAPORE
Our overseas trip to Singapore was an absolute highlight. Students marveled at Marina Bay Sands, Gardens by the Bay, Sentosa Island, Sustainable Gallery, the Night Safari etc. They understood sustainability, diversity, and contemporary urban life, all while experiencing international cuisine and culture.

Interhouse Sports Events

G D Goenka Public School, Bahadurgarh witnessed a vibrant display of athleticism and team spirit through a series of sports events conducted from January to June 2025. The Inter-House Basketball Tournament saw enthusiastic participation, fostering leadership, coordination, and healthy competition among the students. The much-awaited Annual Sports Day was a grand celebration of physical fitness, determination, and sportsmanship across various track and field events. Indoor games and activities further enriched students' strategic thinking, focus, and multilevel skill development, making the term both energetic and enriching.

Celebrations

We at GD Goenka, believe that learning goes beyond textbooks, and celebrations are a vibrant way to foster joy, creativity, and togetherness. From national festivals and cultural events to theme-based days, each celebration brings students and staff together in a spirit of unity and enthusiasm. These events not only strengthen bonds but also help students appreciate traditions, develop leadership skills, and express themselves freely. Celebrations add color to school life, promote unity, teamwork, respect for diversity, and create lasting memories. These occasions also provide a platform for students to showcase their talents, develop confidence, and enhance leadership skills through active participation. Teachers and students work together, creating a strong sense of community and belonging. Let's zoom in for a moment.

Olympiad

To support the vision of holistic development, G D Goenka encourages a spirit of healthy competition and academic excellence among students. Here, children are actively encouraged to participate in various Olympiad examinations such as Science, Mathematics, English, and Cyber Olympiads. These competitions provide a platform to challenge young minds, develop logical reasoning, and develop resilience. Participating in Olympiads also builds confidence and prepare students for future competitive exams nationally and internationally. Teachers guide and motivate students through regular practice and orientation sessions. As a result, our students gain exposure to national-level competition and show remarkable performance each year, making us proud.

Summer Camp

G D Goenka Public School, Bahadurgarh, organized an exciting Overnight Camp on May 25 and 26, 2025, filled with fun, learning, and self-discovery. The event offered students a wide range of engaging activities, including crafts, swimming, magic shows, cooking without fire, dramatization, and a special movie screening, making Day 1 truly memorable.

As evening arrived, students participated in adventure sports and enjoyed a lively pool party. The day concluded with a delicious dinner and restful sleep under cozy camp vibes.

Day 2 began with rejuvenating yoga and meditation, followed by a hearty breakfast. Students then reflected on their experiences, sharing heartfelt memories.
